

2011 Ugly Duckling California Cabernet Sauvignon

Beneath an ugly exterior may lie magnificence. Don't let our little duckling fool you! Just uncork the bottle to discover the elegant swan within.

Despite its unlovely appearance, our Ugly Duckling Cabernet Sauvignon is a beauty of a wine, bursting with rich black cherry, plum, and chocolate flavors, with just a hint of cedar & spice.

Great with burgers, steak and rich pasta (but please NOT duck!).
